

Supplier and Subcontractor
Information Session
November 15, 2012

Bechtel Parsons Blue Grass

**Invites suppliers and subcontractors to attend an
information session on**

**“Systemization, the Next Phase to Safe Destruction
Of the Blue Grass Chemical Weapons Stockpile”**

Construction on the Blue Grass Chemical Agent-Destruction Pilot Plant (BGCAPP) project is more than half complete. As portions of plant construction are finished, the next phase of the project, Systemization of equipment, facilities, and processes begins. This information session will provide a project update, an overview of systemization, and the types of procurement opportunities associated with systemization. A networking session with Bechtel Parsons Blue Grass acquisition representatives will follow the presentations.

Location: BGCAPP Office
830 Eastern Bypass, Suite 106
Richmond, Kentucky

Session Time: 3:00 p.m. – 4:30 p.m.
